ARTICLE X.

INSURANCE AND CASUALTY

1. **Condominium Property Insurance.** The Association shall obtain and maintain at all times, to the extent available, at least, the following insurance (the “**Condominium Property Insurance**”):

(a). Insurance on the Condominium Property in an amount equal to full replacement value of the Condominium Property (as determined annually by the Association) and with a replacement cost endorsement which provides for the payment of all losses without

deduction or allowance for depreciation. "Condominium Property" for the purpose of this Article X shall include all property, real, personal, or mixed submitted to the regime other than personal property of any Owner, and includes specifically, without limitation, the General and Limited Common Elements (except land and other items normally excluded from coverage), building service equipment and supplies, and other common personal property belonging to the Association. Such coverage shall afford protection against, at least, the following:

(1) loss or damage by fire or other hazards covered by the standard extended coverage endorsement and additional extended coverage endorsement; and

(2) such other risks as shall customarily be covered with respect to projects similar in construction, location and use, and as is commonly required by prudent institutional mortgage investors in the area, including, but not limited to, as applicable and available, vandalism, malicious mischief, agreed amount, demolition cost, increased cost of construction, boiler and machinery explosion or damage, and any other perils normally covered by the standard "all risk" endorsement when available and such other insurance as the Association may from time to time determine.

(b). Comprehensive general liability insurance coverage covering all of the Common Elements, commercial space owned and leased by the Association, and public ways of the condominium project. Coverage limits shall be in amounts generally required by private institutional mortgage investors for projects similar in construction, location, and use. However, such coverage shall be for at least \$1,000,000.00 for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the common elements, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policies must provide that they may not be canceled or substantially modified, by any party, without at least ten days' prior written notice to the Association and to each holder of a first Mortgage on any Unit in the condominium which is listed as a scheduled holder of a first Mortgage in the insurance policy.

(c). Workmen's' compensation insurance to the extent necessary to comply with any applicable law.

(d). Non-conforming structure endorsement to the extent necessary.

(e). Such other policies of insurance, including insurance for other risks of a similar or dissimilar nature, as are or shall hereafter be considered appropriate by the Association.

2. Premiums, Deductibles and Minimum Coverage. The premiums for the insurance

coverage shall be a common expense to be paid by assessments levied by the Association against owners of each of the Units. The premiums attributable to coverage on the Units and the common elements shall be apportioned among the Units.

3. **Adjust Losses.** The Association, or its designee, shall have the exclusive authority to adjust losses under the insurance policies.

4. **Contribution.** In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by owners of Units or their mortgagees.

5. **Additional Insurance.** Each Unit Owner may obtain additional insurance at his or her own expense upon the Unit provided that no Owner shall maintain insurance coverage which will tend to decrease the amount which the Association owners may realize under any insurance policy which it may have in force.

6. **Cancellation or Modification.** All policies shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to any and all insureds named thereon, including the Association and any and all mortgagees of the Units.

7. **Designation.** The Association shall from time to time designate an Insurance Trustee. The Association shall be responsible for fees and expenses of the Insurance Trustee which shall constitute a common expense of the Association.

8. **Insurance Trustee Responsibilities.** Except as hereinafter provided, the Insurance Trustee named in the condominium property endorsement shall receive and hold the amount payable under the condominium project insurance and apply the same to the cost of reconstruction or repair of a damaged or destroyed Unit. The work of repairing or reconstruction of the damaged or destroyed Unit shall be commenced within thirty (30) days from the date of the damage or destruction. The work shall be accomplished in accordance with the same plans and specifications by which the Units were originally constructed, subject, however, to the prior written approval of the Association. The Insurance Trustee shall make available and pay to the Owner the amount of insurance proceeds received by the Insurance Trustee for the reconstruction and repair of the Unit. The payment of the proceeds of insurance shall be made as the work progresses at such time and upon, compliance by the Owner with such conditions as the Insurance Trustee shall impose, in order to assure full restoration or repair of the damaged portions of the Unit in a workmanlike manner, free and clear of any mechanic's and materialmen's liens and any encumbrances, liens, claims or charges other than a first Mortgage lien. If the cost of the reconstruction or repair exceeds the amount paid to the Insurance Trustee, the excess shall be paid by the Unit Owner; provided, however, that in the event a decision not to reconstruct is made according to the terms of this Declaration, the Condominium Regime shall be considered terminated. In the event of such termination, the Board of Directors shall have the

responsibility of closing out the affairs of the condominium regime in an orderly manner.

ARTICLE XI.

MORTGAGEE PROTECTIONS

1. **Right to Mortgage.** Each Unit Owner shall have the right, subject to these provisions, to grant separate mortgages for his or her Unit together with the respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or cause to be made or created from the date hereof any mortgage or other lien on or affecting the Project or any part thereof, except only to the extent of his or her own Unit and the respective ownership interest in the Common Elements appurtenant thereto.

2. **Lien Subordination.** The lien for common expenses payable by a Unit Owner or fines assessed against a Unit Owner shall be subordinate to the lien of a prior recorded first mortgage on the interest of such Unit Owner. This paragraph shall not be amended, changed, modified, or rescinded without the prior written consent of all mortgagees of record holding a lien against all or a part of the Project.

3. **Mortgagee's Rights.** Upon written request to the Secretary of the Association, any mortgagee, or insurer or guarantor of any first mortgage on a Unit will be entitled to:

(a) Inspect the books and records of the Association during normal business hours;

(b) Receive a financial statement of the Association within ninety (90) days following the end of any fiscal year of the Project; and

(c) Receive written notice of all meetings of the Association and designate a representative to attend all such meetings.

4. **Condemnation.** If any Unit or portion thereof or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise thought to be acquired by a condemning authority, the mortgagee of a Unit will be entitled to timely written notice of any such proceeding or proposed acquisition, and no provisions of this Declaration or any other document establishing the Project shall entitle the Unit Owner or other party to priority over such mortgagee with respect to the distribution of the proceeds of any award or settlement. Any proceeds from settlement shall be payable to the Owners' Association, for the benefit of the Unit Owners and their mortgage holders.

5. **No Right of First Refusal.** The right of a Unit Owner to sell, transfer, or otherwise convey the Owner's Unit will not be subject to any right of first refusal or any similar

restriction in favor of the Association.

6. Rights of Mortgagees Under Foreclosure. Each mortgagee who takes possession of a Unit by virtue of foreclosure of the mortgage, or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, will take the Unit free of any claims for unpaid assessments and charges against the Unit which accrue prior to the time such holder takes possession of the Unit, except for claims for a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit.

7. Notice to Mortgagee. Upon written request, the holder of a first mortgage shall be entitled to prompt written notice from the Association of any default in the performance of any obligation under this Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations of the Association, which default is not cured by the Unit Owner within thirty (30) days; notice of lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, and any proposed action that requires the consent of a specified percentage of eligible mortgage holders.

ARTICLE XII.

CONDEMNATION

1. Condemnation; General. If all or part of any Unit taken or threatened to be taken by condemnation, the Owner of that Unit shall represent itself in any proceedings, negotiations, settlements, or agreements and be entitled to all damages or awards for any such taking.

2. Condemnation of Common Elements. If any action is brought to condemn a portion of the Common Elements, the Board shall have the sole authority to determine whether to defend or resist such action, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of condemnation. After the damages or awards for such taking are determined, such damages or awards shall be paid to each Unit Owner in proportion to his or her ownership interest. The Board may call a meeting of the Association, at which meeting the members by a majority vote may decide whether to replace or restore insofar as possible the Common Elements so taken or damaged.

3. Payment of Awards and Damages. Any damages or awards paid to or for the account of any Unit Owner by the Board, acting as trustee, shall be paid to the Association, for the benefit of the Unit Owners and their mortgage holders. Any awards shall be applied first to the payment of any taxes or assessments by governmental authority past due and unpaid with respect to that Unit; secondly, to amounts due under any mortgages; thirdly, to the payment of any unpaid common expenses, fines or special assessments charged to or made against the Unit; and finally to the Unit Owner.

ARTICLE XIII.

TERMINATION

1. Procedure. The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) **Destruction.** In the event it is determined in the manner elsewhere provided that the Building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa (2016), as amended.

(b) **Agreement.** The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale and/termination of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) **Certificate.** The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium and the Owner of Units, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned by the Owners of Units at the time of termination.

(b) The property (land and improvements) shall be deemed to be owned in common by the Owners of Units. The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XIV.

AMENDMENTS AND MISCELLANEOUS

1. Procedure for Amendments. Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) **Notice.** Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

(b) **Resolution.** A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by those Owners holding at least 76% of all votes, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) **Bylaws.** In the case of an amendment to this Declaration by reason of an amendment to the Bylaws of the Association, then in the manner specified in such Bylaws.

(d) **Execution and Recording.** An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa. Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

(e) **Rules and Regulations.** The Rules and Regulations adopted by the Association, may be added to, amended, modified or altered by the affirmative vote of a majority of the Directors of the Association. An amendment to the Rules and Regulations shall not be considered an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

2. Amendment of Ownership Interest. No amendment shall change the percentage of ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of

the common expenses unless the record Owner of the Unit concerned shall affirmatively join in the adoption of such amendment.

3. **Severability.** The invalidity of any covenant, restriction, agreement, undertaking, or other provisions of any Condominium Document shall not affect the validity of the remaining portions thereof.

4. **Incorporation.** Exhibits attached hereto and referred to herein are hereby made a part hereof with the same force and effect as other provisions of this Document.

IN WITNESS WHEREOF, Declarant has executed this Declaration the day and year first above written.

The decision of the Board of Directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

7. Notice shall be given by mailing or delivering the same not less than ten (10) nor more than fifty (50) days prior to the date of the meeting. 8. The annual meeting of the members shall be held in November of each year, provided the first annual meeting shall not be held until the date described in paragraph 9 of Article VI of the Declaration. 4. Vacancies in the Board of Directors may be filled until the date of the next annual meeting by vote of the majority of the directors remaining in office, whether those remaining constitute a quorum or not.

5. The initial Directors shall not be subject to removal. Thereafter a Director may be removed from office at a special meeting called for such purpose if seventy-five percent (75%) of the total number of votes outstanding and entitled to be cast are voted in favor of such removal.

6. A majority of the Board of Directors may, by resolution, set a time and place for regular meetings of the Board of Directors and no notice thereof shall be required until such resolution is rescinded. 6. Compensation of all officers and employees shall be fixed by the directors. This provision shall not preclude the Board of Directors from employing a director as an employee, nor from contracting with a director for management of the condominium.

7. Any deed or contract for sale of real estate or lease (or assignment of such

contract or lease) may be executed by the president or vice-president and any officer other than the president or vice-president. Any lien held by the Association may be released by any of the officers of the Association. The Board of Directors may, in addition, authorize the execution of the kinds of instruments above mentioned or other instruments required to be executed on behalf of the Association in such manner as it shall by resolution direct.

ARTICLE VI

Powers and Duties of the Board of Directors

All of the powers and duties of the Association (including those existing under the common law and statutes, the Articles of Incorporation, and the documents establishing the Condominium), shall be exercised by the Board of Directors. Such powers and duties of the directors shall be exercised in accordance with the provisions of the Declaration that governs the use of the land, and shall include in addition to those elsewhere provided for, but shall not be limited to, the following:

2. To use the proceeds of assessments in the exercise of its powers and duties.
3. The maintenance, repair, replacements, and operation of the "condominium property" (as defined in the Declaration) including all common areas, elements and facilities, and units, as applicable and the construction of new improvements or alterations if authorized, and making or providing for payments for all such work and approving or delegating to the treasurer authority to approve vouchers therefore.
4. The reconstruction, repair, restoration, or rebuilding of the condominium property and of any units as applicable after casualty or otherwise, as provided in the Declaration.
5. To make and amend regulations restricting the use and occupancy of the property in the condominium and in their discretion to permit or forbid an action or conduct as discretion is committed to them in the condominium documents.
6. To enforce by legal means the provisions of the condominium documents, the Articles of Incorporation, the Bylaws of the Association and the regulations for the use of the property in the condominium.
7. To contract for management of the condominium and to delegate to such contractor all powers and duties of the Association except such as are specifically required by the condominium documents to have approval of the Board of Directors or the membership of the Association; to employ, designate and remove any personnel necessary for the maintenance,

repair and replacement of the common areas and facilities.

8. To pay taxes and assessments which are liens against any part of the condominium other than individual units and the appurtenances thereto, and to assess the same against the units subject to such liens.

9. To carry insurance for the protection of owners and the Association against casualty, liabilities, and other contingencies.

10. To pay the cost of all utility or other services rendered to any of the condominium property that is not billed directly to owners.

11. To interpret and apply the provisions of the condominium documents in matters of dispute between owners or between owners and the Association, which determination shall be binding on the owners; to conduct or supervise all votes or determinations by members other than a membership meeting.

12. To acquire title to and ownership of in the name of the Association units within the regime upon judicial sale, and on behalf of all owners to sell, lease or mortgage such units and to borrow funds for any legitimate purpose and to assign as security therefore the assessment receivables due the Association, provided the Board of Directors may in no manner affect or encumber the common elements of the regime or any unit or the fractional interest appurtenant to such unit (except such units and the interests appurtenant thereto as the Association has acquired upon judicial sale) and provided further, the authority of the Board of Directors to borrow in excess of \$5,000 other than in connection with the mortgage of an acquired unit to the amount of the loan value thereof shall be exercised only in the event of approval of owners entitled to cast seventy-five percent (75%) of the total number of votes outstanding and entitled to be cast. For purposes of permitted conveyance, lease, or encumbrance of units or assessments receivables, the Board of Directors shall be regarded as the irrevocable agent and attorney in fact for all owners and members.

ARTICLE VII

Common Expenses; Assessments and Collection

1. The common expenses of the Association include all those legitimately assumed by it in connection with its powers, duties and obligations as set forth in any of the condominium documents and as are necessary or implied in connection with the powers and duties of the Board of Directors and the provisions of Chapter 499B and 504, Code of Iowa.

2. Assessments against the units and the owners thereof shall be made by the Association in order to provide funds for the discharge of all common expense of the Association, which assessments, in addition to being and constituting a lien against the unit in question and the appurtenances thereto shall also be a personal liability of the owner and jointly

and severally if more than one owner. All assessments and funds collected therefrom shall be charged or credited to the owner's account. Unless specifically otherwise provided, as for example in the case of "special" assessments, each unit and owner shall be liable and subjected only to the proportionate share of the total common expense and assessment made therefore as is derived by multiplying the total assessment by the percentage interest of ownership of the common elements which is appurtenant to that unit, as set forth in Exhibit D to the Declaration. Certain common expense for increased insurance premiums provided by Article IX, paragraph 4, of the Declaration or on account of the failure of an owner to provide maintenance as provided by Article IX, paragraph 2(c) of the Declaration or other defaults an Owner shall be recovered by an assessment made only against a particular unit(s) and the owner or owners, which assessments are referred to in the condominium documents as "special" assessments and shall be made in the necessary amounts and without regard to the percentage of interest formula. The expense of utilities which are not separately metered to each unit is a common expense but the assessments may be made either according to the fractional interest appurtenant to each unit or as "special" assessments on some other equitable prorated basis as the Board of Directors may determine.

3. Where a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, such mortgagee or purchaser, and his or her successors and assigns, shall not be liable for the assessments chargeable to such unit due prior to the acquisition of title and such unpaid assessment shall be deemed to be common expenses collectible from all owners, including the mortgagee or purchaser, his or her successors and assigns. The owner of a unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments whether generally or "specially" levied against a unit and the grantor or prior owner, but without prejudice to the right of such grantee or devisee to recover from the prior owner the amounts paid.

A first mortgagee, upon request, shall be entitled to written notification of any default in the performance of the mortgagor of any obligation created by the Declaration, the Articles or any other document affecting the condominium, which default is not cured within sixty (60) days.

4. The Board of Directors shall adopt a budget for each fiscal year period as it elects to report on for income tax purposes which shall include the estimated funds required to defray the following common expenses:

(a) Current expense, which shall include all funds and expenditures to be made within the year for which the funds are budgeted (except expenditures chargeable to reserves or additional improvements), including a reasonable allowance for contingencies and working funds, and the assessment for current expense may sometimes be referred to as the working capital assessment and the funds as the working capital fund. Any balance in this fund at the end of each year may be applied to reduce the assessments for current expense for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually and for replacement of common

property required on account of depreciation or obsolescence.

(c) Reserve for replacement, which shall include generally funds for repair, reconstruction and the like required because of damage, destruction or other hazards.

Upon the determination of each budget, the directors shall each year levy an assessment for the amount assessed against each unit at least thirty days prior to the one year period covered by the budget and assessments. Notwithstanding the foregoing requirement of regular assessments, the Board of Directors may discontinue a regular annual assessment or reserve for replacement, or transfer such portion to another fund or account if in its judgment the amount remaining is sufficient to satisfy the best interests of the members.

5. The board may also make and levy, from time to time, assessments for common emergency or extraordinary expenses. Emergency assessments and "special" assessments shall be due and payable according to the terms fixed by the board. Funds for emergency expenses may be raised by emergency assessment and/or by regular but separate reserve accounts and assessments for such purposes.

6. The regular annual assessments made for current expense and deferred maintenance and replacement reserves or for any other purpose shall be due from and paid by the unit owners as to their shares thereof in twelve (12) equal monthly installments payable on the first day of each month during the one (1) year period in question. If any installment of any assessment of any kind or character is in default for more than thirty (30) days, the Board of Directors may accelerate the remaining installments and declare the entire amount thereof due and payable within twenty (20) days after written notice thereof is mailed to the owner in default at his address carried upon the corporate records. When the Association has acquired a unit, the assessment otherwise due and payable, reduced by the amount of income which may be derived from the leasing of such unit by the Association, shall be apportioned and assessments for the unit levied ratably among all other owners according to their percentage interests in the common elements.

7. At the time of the recording of the Declaration or when the certificate of occupancy for a "Building" (as defined in the Declaration) has been issued or as the Board of Directors determines, in its discretion, that a Building and improvements have been substantially completed and are ready for occupancy, the Board of Directors shall immediately meet and adopt an interim budget and make such assessments of whatever character as are necessary in order to provide for the expenses and obligations of the Association as determined by the condominium documents during the period of any fractional calendar year or any fractional fiscal year as may remain until the commencement of the initial one (1) year period contemplated by paragraph 4 of this Article, which assessments shall be effective as of the date of the certificate of occupancy or such determination made by the board.

8. If prior to the date of its first annual meeting the Association requires capital, the Developer may loan to it any sums required in excess of the assessments for which the Developer is liable as a unit owner, in which event the requirement of Article VI, paragraph

12, of approval by a seventy-five percent (75%) vote shall not apply.

9. The share of all sums assessed to and payable by an owner but unpaid shall constitute a lien on the unit or of such owner prior to all other liens, except tax liens on the unit in favor of any assessing unit or special district and all sums payable on a first mortgage of record, which lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17, Code of Iowa. In event of foreclosure the owner shall be required to pay a reasonable rental for the unit if he or she remains in possession. The Association may sue for money judgment for unpaid assessments or sums due without foreclosing or waiving any lien which it holds. In event of suit or foreclosure, the Association shall be entitled to collect reasonable attorney fees from owner.

10. The Association shall at all times maintain complete and accurate written records of each unit owner and the address of each, and setting forth the status of all assessments, accounts and funds pertinent to that unit owner. Any person other than an owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

11. Notwithstanding anything to the contrary in these Bylaws, any regular annual assessment or common emergency or extraordinary expense assessment may not be increased by more than Fifty Dollars (\$50) per month without the approval of the members at a special or annual meeting by a vote provided for in Article III, paragraph 2.

ARTICLE VIII

Taxes

1. Real Estate Taxes. Real estate taxes assessed against the regime shall be assessed against the individual units by the assessing authorities and shall be paid by the unit owners. Each owner's assessment shall include the owner's fractional share of the common elements as set forth in the Declaration. Each unit owner when assessed shall be liable to pay all of such taxes assessed and the Association shall have no responsibilities to pay the same but may do so as provided in Article VI, paragraph 8, of these Bylaws.

2. Personal Taxes. If any personal taxes are assessed against an owner, such owner shall be solely responsible for the payment of the taxes. If any personal taxes are assessed against the Association, such taxes shall be paid by the Association as a part of the Association's common expenses.

ARTICLE IX

Referendum

Any vote or determination required or permitted to be made by the members of

the Association and not required by law or any of the condominium documents to be made at a meeting of the members may be taken or made pursuant to a referendum ballot. Such a ballot may be initiated by one-third (1/3) of the Board of Directors or upon the written petition of owners who are entitled collectively to cast at least twenty-five percent (25%) of the total number of votes outstanding. If such referendum is initiated, the secretary shall prepare and mail to each member a ballot returnable in no less than ten (10) nor more than fifty (50) days from the date of mailing. If prior or subsequent to such petition a special membership meeting has been called to consider the same subject matter, the special meeting shall prevail and the referendum vote shall not be tallied.

ARTICLE X

Amendment

1. Except as provided in these Bylaws, these Bylaws may be amended, altered, repealed or new Bylaws adopted by the members at a special or annual meeting of or upon a referendum ballot by the members upon the affirmative vote of seventy-five percent (75%) of the total number of votes outstanding and entitled to be cast, all in accordance with the Declaration and these Bylaws. No amendment, alteration or action taken to repeal these Bylaws and adopt new Bylaws shall change the provisions of the Declaration and these Bylaws which equate membership with unit ownership, define the total number of votes, and base for each unit the number of votes, liabilities for assessments, and interests in funds including insurance proceeds of the Association on the fractional interest appurtenant to that unit unless unanimous consent of the unit owners and their mortgagees is secured. Any amendment, alteration or action taken to repeal these Bylaws and adopt new Bylaws which affect Developer's rights, shall be void unless the written consent of Developer is given.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice of the meeting; provided, however, if notice of the proposed amendment has been given, a different amendment relative to the subject matter of the notice may be adopted by those present, in person or by proxy, and possessing the requisite percentage of the total number of votes outstanding and entitled to be cast, and provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided in Section 499B.14, Code of Iowa, no modification or amendment of these Bylaws shall be effective unless set forth in an amendment to the Declaration executed and recorded in the manner set forth in the Declaration and that code section, and an amendment to these Bylaws shall constitute an amendment to the Declaration as provided for by law.

4. Unless required by the specific provisions of the condominium documents or by law, an amendment to the Declaration not affecting the subject matter of these Bylaws shall not be considered an amendment of these Bylaws.

5. Notwithstanding anything to the contrary in these Bylaws, until all proposed Units in the Regime are sold, the Developer shall have the right to unilaterally amend these Bylaws.

ARTICLE XI

Indemnification of Directors and Officers

The Association shall indemnify any director or officers of the Association, any former director or officer and any such person who at the request of the Association is serving or has served as a director, officer, employee, agent or trustee of another Association, partnership, joint venture, trust or other enterprise, and their heirs, executors and administrators, against all expense, liability and loss (including attorneys' fees, judgments, fines, taxes, penalties, and amounts paid in settlement) actually and reasonably incurred by the indemnitee as to action in the person's official capacity and as to action in another capacity while holding office if the person acted in good faith and in a manner reasonably believed by the person to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, the person had no reasonable cause to believe the person's conduct was unlawful. The indemnification shall include but not be limited to the amount of funding for reserve accounts, pursuing remedies for the collection of unpaid assessment and determining the extent of maintenance, repair, replacements and operation of the condominium property. The indemnification shall exclude any directors' and officers' acts for gross negligence or willful misconduct in the performance of their duties to the Association unless and only to the extent that a court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, the officer or director is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The obligation of the Association under this Article shall be subject to the terms and conditions of a plan of indemnification adopted by a majority of the Board of Directors. Any such plan may limit or condition the obligation of the Association, may grant contract rights to indemnitees, may limit indemnification to persons serving in specified offices, may provide procedural and substantive rights to indemnitees and may be amended, modified or terminated by a majority of the Board of Directors. A plan of indemnification may obligate the Association to indemnification which is less than the full extent permitted by applicable law and may contemplate future change in applicable law.

Indemnification under this Article shall be applicable to all actions regardless of the date or dates of any alleged transactions or occurrences giving rise to such actions unless the plan of indemnification provides to the contrary. No amendment, modification or termination of a plan of indemnification shall affect any right of indemnification arising out of a transaction or occurrence entered into or occurring prior to the effective date of such change in the plan. In the event the Board of Directors terminates a plan of indemnification without adopting another plan, indemnification under this Article shall be to the full extent allowed by applicable law until another plan has been adopted by the Board of Directors.

obligate the Association to acquire and maintain insurance or to otherwise provide funds to meet its obligations.

ARTICLE XII

General Provisions

1. The invalidity of any portion or provision of these Bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have a corporate seal.

3. The Board of Directors may require fidelity bonds from all directors, officers or agents handling or responsible for Association funds, except any insurance trustee, and may procure an audit of the accounts and financial records of the Association not less than every two (2) years, and the expense of such matter shall be a common expense of the Association.

4. Each member shall have the obligations as such member as are imposed upon him or her by the condominium documents as an owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the condominium property, except as the same may attach only against his or her appurtenant interest and be removable as such.

5. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence of membership only and shall in no manner be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to such assignment, hypothecation, or transfer of the unit.

6. So long as a unit is owned by Developer, Developer shall only be subject to assessment for "current" expense. Upon acquisition of such a unit from Developer, however, such unit shall then be subject to assessment for "reserves" for a prorated balance during the fiscal year in question and the payment in the same amount as previously assessed against the unit not owned by Developer and to assessment and, in addition, the lien for any emergency assessments in the same manner as if such unit had not been Developer owned at the time such assessments were made.
